CATHOLIC CENTRAL SCHOOL

July 31, 2020

Good Afternoon,

As Catholic Central continues to prepare for our return to school this fall, we wanted to make you aware of a change of date that will affect all of our Pre-K-12 families.

Catholic Central has decided to move back the start date of school from our original start date of August 19 to August 26. Our freshman orientation will also be moved back one week, from August 18 to August 25. Please mark your calendars for this change in dates.

In our efforts to continually prepare our building and campus for our students and teachers' safe return, we have decided to utilize this extra time to more fully train our faculty and staff to assist in meeting the anticipated challenges brought about by Covid. For the prior week of August 17th, our teachers will be learning and practicing the logistics and considerations of the return-to-school plan we have developed.

Our strategic liaisons and partnerships with the Archdiocese of Cincinnati, the Clark County Combined Health District, and Governor DeWine's office have offered the strongest guidance and counsel as we finalize our back to school policies and procedures. As always, if there are any questions, please do not hesitate to reach out and contact the school.

Wishing you all the healthiest and safest of your remaining summer. I look forward to meeting you all very soon.

God Bless and Go Irish,

Michael Raiff
President
