Preschool -

Junior Kindergarten students made worm farms today! The project that the children liked most this week was making their worm farms. There are a lot of great photos of them doing this project on Instagram. We want to send a BIG THANK YOU to the Stephenson family for bringing in soil, sand, and rocks for our worm project.

PreK 3 students have made several art projects relating to their unit on nursery rhymes. So far they

have learned: Hickory Dockery Dock, Hey Diddle Diddle, Mary Had a Little Lamb, and Humpty Dumpty. We will continue with our unit by learning Jack and Jill, Jack be Nimble, and Little Jack Horner.

PreK 4 students finished their unit on the creation story and their study of planet Earth.
