## BLESSINGS IN BOTTLES!

### What is "Blessing in Bottles"?

"Blessings in Bottles" is a fundraising event the service ministry class is doing.

### Who would the fundraiser help?

It helps an organization called the Pregnancy Resource Clinic or PRC for short. PRC helps new parents get adjusted to being a parent, gives them resources to be good parents, and overall helps pregnant people.

### How can I donate?

Each homeroom and the Main Office will have empty baby bottles to collect donations and try to fill up as many bottles as possible. Our goal is 100 bottles. If we reach this goal, 5 students in the service ministry class will be receiving a pie in the face. All donations will be due by May 17th. See the attached flyer for more information.
