

School Meal Pricing Update 2024-2025

Catholic Central will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2024-2025.

All enrolled students of Catholic Central are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2024-2025 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application.

Although there is no charge for meals, it is important that students order lunch each morning during first period. Ordering ensures that there is enough food delivered for each student who needs a school lunch on that day.
